

# Lead & Copper Service Line Inventory Customer Questionnaire

Due to Federal Regulations, every municipality is required to inventory **ALL** Water Service Line within our city, by fall of 2024. This task is designed to eliminate lead water lines within the country to ensure clean and safe drinking water. ***This survey will be done at NO cost to the citizens.***

We need help from you, residents and business owners, to identify private service line material. **Responses must be received from every property with a water meter.**

In order to compile a database of materials used in our customer's service lines and plumbing required by our sampling plan. Please take a few minutes to complete this questionnaire and return to one of the following:

<b>Mail To:</b> City of Winfield PO Box 72 Winfield, IA 52659	<b>Drop Off:</b> City Hall 24hr. drop box 115 N. Locust Street <b>Email To:</b> <a href="mailto:Winfield2@Farmtel.net">Winfield2@Farmtel.net</a>
---	--

Thank you for your cooperation in helping us continue to serve clean and safe drinking water to our customers.
